

Lithofin Plastic Cleaner

Description

A special LITHOFIN-Product for cleaning all types of plastic surfaces domestic and industrial.

Properties

Lithofin Plastic Cleaner is a solvent free, mildly alkaline cleaner which quickly and effectively removes all kinds of dirt from plastics and synthetics.

Technical Data:

Density: 1,0 g/cm³

pH-Value: ca. 10,0 (concentrate)

Appearance: liquid, clear, yellowish

Odour: fresh

Solubility in Water: very good, complete

Field of Use

For thoroughly cleaning plastic and synthetic surfaces. Removes oil and grease, general dirt, adhesive residues, etc. in kitchens, bathrooms and other domestic areas. Cleans plastic parts and surfaces in office and industrial environments such as desks, window frames, etc. Also suitable for garden furniture, doors and many other applications.

Directions for Use

Spray Lithofin Plastic Cleaner on the surface and allow the product to work for a few minutes, then wipe off with a damp cloth or a paper towel.

In case of stubborn dirt deposits, you may have to scrub with a sponge or brush.

Please Note: in cases of doubt, it is highly recommended to try the product in an inconspicuous area prior to use.

Storage

Closed, cool and dry. Frost-free. Up to 5 years.

Environmental Protection

Does not contain any phosphates.

The contained surfactants are biodegradable according to regulation (EC) No. 648/2004 (detergents regulation).

Disposal: waste code according to EWC/AVV 07 06 08*. Bottles/canisters are made of environmentally friendly polyethylene and can be recycled (see information on label).

Safety

UFI: A6U0-J095-M00W-K0K6
